My singarette shines from delight
Fly, fly, fly, fly, fly
The smoke addresses my favorite sight
I say hi, hi, hi

Morrowevening will be yesternight again
So and so on so and so
But tonight there's an end to attend
C'mon let's go, c'mon let's go

To the riverside, to the riverside
There's a woman I know by the riverside
And her full water jar's overflowing

The echecocoing of phrases only she can do
La, la, la, la, la, la
A song-a-sing for every anyone or two
Cha-cha-ciao, cha-cha
