Ain't no sense in trying baby  
You know where it's at  
Ain't no sense in crying baby  
Makes you feel too bad  
No, girl you're on your own  
No way out

Got no need for reasons baby  
It's all over now  
There's a change of seasons baby  
Coming anyhow

No, girl you're on your own  
No way out  
No way out

I ain't got nowhere to run to baby  
I ain't got nowhere to hide  
I'm running around in circles baby  
I'm running out of time

No, girl you're on your own  
No way out  
No way out
