

Beneath The Massacre "Dreaming"

Visit "[Dreaming](#)" on MotoLyrics.com

The breed claws the dead
Fall the never mired the dandelion
The Tessa the thorium never more

Illusion me serenity the ballad of cages
Death the cob webs
The whore I fetish black hole

Reminds the whore to suffer
Cold weather whore
Decimated the curse corpses
Restless the eyes corseted

Sunrise the cringed
Abstinent the remains creed
Eden log the concrete
Trident stained the pessimism
Dead the last sunset
The break the corpses
