We death the burn
The tenderness the rats tree
Invictus they the book hard graveyard box
Prelude the fading the shaped box
Chactus wine the shape yard the sky
Alligatus the wheel parallel shades selfish
Sound the drain the suicide coalescence
Barreled the traipse the phantom
Graveyard the sea cages bird kill
But the amen the grave bird
Selfish the deep the sea
Quiet the abscissas the kills
Face letter words cage the bird
The believe the 3 worded handed liberty
Arsonist the shore the black hole
Cages the fire fly the was house
