

Beneath The Massacre "Hunted"

Your disciples are ready to kill and to die. Sacrifice
Women and children in
The name of an ideology. Survival instinct pushes you
to
Commit the worst atrocities.
Complete denial and stubborn. Stubbornness or
Intellectually challenged?
Crimes will be punished, one day your time will catch
you
Up.
It's only a matter of time. Can you hear their voices?
They're all whispering
In your back. Can you feel it coming? They're plotting to
Cut your head off.
Can you hear them knocking? They're here knocking at
your
Door. And now all
Your enemies in an alliance are hunting you. By
Thousands, they're chasing you.
All the ghosts of the victims plotting to cut your head
Off. Haunting you.
