It's so unjust  
That we must  
Feel inadequate  
Where is your empathy  
I feel a misfit  
Wearing this kit  
Stereotype me  
That is my fee

Free  
To manipulate  
When i stipulate  
That's my prerogative  
I tell you  
Free  
To manipulate  
When i stipulate  
It's going round round  
Tell you what i've found

Sex sells  
Every night and day  
It will be this way  
Sex sells  
So what you gotta prove  
When it's all your life to choose

You play the game  
Make me tame  
I have a personality  
Don't care if it's a fallacy  
Oh what's the harm  
Use that charm  
You gotta show some skin  
Make sure your be thin

Free  
To manipulate  
When i stipulate  
That's my prerogative  
I tell you

Free  
To manipulate  
When i stipulate  
It's going round round  
Tell you what i've found

Sex sells  
Every night and day  
It will be this way  
Sex sells  
So what you gotta prove  
When it's all your life to choose

Free  
To manipulate  
When i stipulate  
That's my prerogative  
I tell you  
Free  
To manipulate  
When i stipulate  
It's going round round  
Tell you what i've found

Sex sells  
Every night and day  
It will be this way  
Sex sells  
So what you gotta prove  
When it's all your life to choose
