She's a lady
She goes everywhere
She's my baby
And she might be there

When I'm not with her
Everything is blur
When she comes
She turns me on

She's a lady
She's a slave to love
She's my baby
And I swear she loves
Goin' down plus she's cookin' fine
Berries basil rosemary and thyme

She's a lady
Living by her own
She's my baby
When I'm back in town

When she wears my shirt
Life is way too short
When she dances
No offence

But, she's a cuttie
She's a slave to love
She's my baby
And I swear she loves
Goin' down plus she's cookin' fine
Peanut butter sugar fingerpie
She's my baby
