When you put your arms
slowly around me
I feel so clumsy
do you remember the first day
when we stuck together

Since you left me baby
I just stopped living
can you believe it?
would you surrender?
Just tell me now
I can't get anymore

can you remember?
the first day
when we were holding hands
can you just feel it
feel it in your soul
do you remember?

We gonna make it
we gotta make it...
We gonna make it
we gotta make it... (Do you remember)
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...
We gonna make it
we gotta make it... (Do you remember)
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...

When you put your arms
slowly around me
I feel so clumsy
do you remember the first day
when we stuck together

I know you're far away from me
but I miss you, hell yeah
I tried to pick up my phone
I tried and I tried

We gonna make it
we gotta make it...
We gonna make it
we gotta make it... (Do you remember)
We gonna make it
we gotta make it...

We gonna make it
we gotta make it... (We gonna make it)
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...
We gonna make it
we gotta make it...

Appena arrivato a parigi
mi ritrovo sui "champ-elysées"
turisti, donne, "petit terrasse"
passo il giorno pensando a te...
questa sera ti devo dire
come, come, "je t'aime je t'aime"
e vedere se per fine
ci starai a dirmi sÃ

Arrivo al Queen un po' ansioso
c'Ã Alan al turntables
la gente balla e si diverte
Ã un pezzo di Ben Diamond.
Finalmente ti raggiungo al bar
ti vedo, sei tu "mon amour"
le tue gambe allucinanti
"me rendent fou, me rendent jaloux"

We gonna make it
we gotta make it... (We gonna make it)
We gonna make it
we gotta make it...
We gonna make it
we gotta make it... (Oh, we gonna make it)
We gonna make it
we gotta make it... (We gonna make it)
We gonna make it

we gotta make it..
We gonna make it
we gotta make it.. (We gonna make it)
We gonna make it
we gotta make it..
We gonna make it
we gotta make it..
