I saw you (and him)
Walking in the rain
You were holding hands
And I'll never be the same

Tossing, and turning
Another sleepless night
The rain is crashing
Against my window pane
Jump into my car
I didn't drive too far
That moment I knew
I would never be the same

I saw you (and him)
Walking in the rain

You were holding hands
And I'll never be the same

Now here you are
Begging to me
To give our love another try
Girl I love you and I always will
But darling right now
I have to say goodbye

I saw you (and him)
Walking in the rain
You were holding hands
And I'll never be the same
