Koochie koo!
Never heard about it?
Well listen!

When do you feel you like to touch
My hand and wanna say so much
We're all alone and really only sun
Then do you feel a sting inside
You know now that the time is right
Come close to me
Much closer go ahead

Coz I was about to
Koochie koo, koochie koo
I wanna play with you
Koochie koo, koochie koo
Why be so shyyyyyyy ayyyyyyyyy

Koochie koo, koochie koo
I wanna play with you
Koochie-koo there's no taboo (ah)
So give it a try.

If you were the only boy
And I was just a lovely girl
The only girl
Would play it all day wild
Would you like to follow me
A journey far upon the sea
We'll find ourselves in cosy lonesome isle

Coz I was about to
Koochie koo, koochie koo
I wanna play with you
Koochie koo, koochie koo
Why be so shyyyyyyy ayyyyyyyyy

Koochie koo, koochie koo
I wanna play with you
Koochie-koo there's no taboo (ah)
So give it a try.

Uhhh uhhh uhhh ohhhhh oohhhhhhhaa

Coz I was about to
Koochie koo, koochie koo
I wanna play with you
Koochie koo, koochie koo
Why be so shyyyyyy ayyyyyyyy

Koochie koo, koochie koo
I wanna play with you
Koochie-koo there's no taboo (ah)
So give it a try.

Koochie koo, koochie koo
I wanna play with you
Koochie koo, koochie koo
Why be so shyyyyyy ayyyyyyyy

Koochie koo, koochie koo
I wanna play with you
Koochie-koo there's no taboo (ah)
So give it a try.

Koochie koo, koochie koo
I wanna play with you (ahhha)
Koochie koo, koochie koo
Why be so shyyyyyy ayyyyyyyy

Koochie koo, koochie koo
I wanna play with you
