Since I can remember
I've been dreaming
Dreams have been
Loved by everyone
I was a girl
In my own world
The only friends I had
Then were my family
I've heard people's
Eyes were never gleaming
Laughter is the first step to success
Never the less
I couldn't waste
And told them one day
You'll be idolise in me

Number one, number one
I am gonna touch the same as
Number one
Am gonna be a star

Number one, number one
Top of and below all the chances
Number one
Am gonna raise your heart
I dance and loose maybe illusion
You don't have loose
If you don't win
I'll have a song
A beautiful song
Before the bird will
Sing it with me
Wont be long

Number one, number one
I am gonna touch the same as
Number one
Am gonna be a star

Number one, number one
Top of and below all the chances
Number one

Am gonna raise your heart

Number one, number one
I am gonna touch the same as
Number one
Am gonna be a star
