Baby, why don't you reach out ?
Why don't you, maybe, reach out for love
Oh loverâ€¦!
(x 5)

Reach out for meeeeeeee !

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higher
Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre
Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire, yeah

You know that it would be untrue
You know that I would be a liar
If I was to say to you
Girl, we couldn't get much higher
Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire

The time to hesitate is through
No time to wallow in the mire
Try now we can only lose
And our love become a funeral pyre
Come on baby, light my fire
Come on baby, light my fire
Try to set the night on fire, yeah
