### **"My Happy Ending"**

Visit "[My Happy Ending](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Oh, oh,  
Oh, oh,  
So much for my happy ending.

Lets talk this over,  
It's not like we're dead.  
Was it something I did?  
Was it something you said?

Don't leave me hanging,  
In a city so dead.  
Held up so high  
On such a breakable thread.

You were all the things I thought I knew,  
And I thought we could be.

You were everything, everything,  
That I wanted.  
We were meant to be, supposed to be,  
But we lost it.  
All the memories so close to me  
Just fade away.  
All this time you were pretending,  
So much for my happy ending.

Oh, oh,  
Oh, oh,  
So much for my happy ending.  
Oh, oh,  
Oh, oh.

You've got your dumb friends,  
I know what they say  
They tell you I'm difficult,  
But so are they  
But they don't know me.  
Do they even know you?  
All the things you hide from me,  
All the Shit that you do (all the shit that you do)

You were all the things I thought I knew,

And I thought we could be.

You were everything, everything,  
That I wanted.  
We were meant to be, supposed to be,  
But we lost it.  
All the memories so close to me  
Just fade away.  
All this time you were pretending.  
So much for my happy ending.

It's nice to know that you were there,  
Thanks for acting like you cared  
And making me feel like I was the only one.  
It's nice to know we had it all.  
Thanks for watching as I fall,  
And letting me know we were done.

He was everything, everything,  
That I wanted.  
We were meant to be, supposed to be,  
But we lost it.  
All my memories so close to me  
Just fade away.  
All this time you were pretending,  
So much for my happy ending.

You were everything, everything,  
That I wanted.  
We were meant to be, supposed to be,  
But we lost it.  
All of our memories so close to me  
Just fade away.  
All this time you were pretending,  
So much for my happy ending.

Oh, oh,  
Oh, oh,  
So much for my happy ending (oh, oh, oh, oh)  
Oh, oh,  
Oh, oh,  
So much for my happy ending (oh, oh, oh)  
Oh, oh, oh,  
Oh, oh, oh
