She pulls me in brushes out  
Has her plans and has her doubts  
I'm falling somewhere in between  
She makes it obvious enough  
She asks me why, I ask back  
She's my best defense so far as what I lack  
This shit goes round and round and round  
If it came down to love

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more then dying for  
Nobody's saving me now  
Oh you're so much better than I deserve  
More than these stupid words  
Bitch after bitch scribble down  
I'm going crazy so crazy  
And nobody's saving me now

Truth be told I don't mind  
Not at all  
I'd rather sink in perfect peace than count the stories  
as I fall  
Everything I say is true

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more than dying for  
Nobody's saving me now  
Oh you're so much better than I deserve  
More than these stupid words  
Bitch after bitch scribble down  
I'm going crazy so crazy  
And nobody's saving me now

And you need to let me do what I do  
Cause baby you, you're the only one I'd ever choose

So please baby try to remember that I

I love you deeper than I can swim  
Feel my lungs caving in  
Nobody's saving me now  
I love you stronger than I can hold  
Worth more than dying for  
Nobody's saving me now  
Oh you're so much better than I deserve  
More than these stupid words  
Bitch after bitch scribble down  
I'm so in love with you baby  
And nobody's saving me now
