Stop loving me a little at a time
Let me lose you a little at a time
Walk away slow like you don't want to go
Leave me a little at a time

For my benefit try to cry a little bit
For old time's sake give me a slow heartbreak
I'll put up a fight but I'm gonna be all right
If you stop loving me a little at a time

Hurt me a little at a time
Turn me away a little at a time
Walk away slow like you don't want to go
Leave me a little at a time

For my benefit try to cry a little bit
For old time's sake give me a slow heartbreak
I'll put up a fight but I'm gonna be all right
If you stop loving me a little at a time

A little at a time, a little at a time
That's right, a little at a time
