Sunny Girl

She's a sunny girl, a real girl
And no one can declare
That she's something that I never needed (recent live
lyrics: dream of)
Never want to care for

She's a sunny girl, a real girl
That's why she's satisfying
She will never ask for anything but you
Ain't that a girl

She's domestic, she is property
She's slim like reed
She's devertin', she is faithful
Ain't that all you need
And I'm souring like a feather
In a world I've just created
For a very simple reason
That is one
She's mine

She's a sunny girl, a real girl
And noone can declare
That she's something that I never needed (recent live
lyrics: dream of)
Never want to care for

She's a sunny girl, a real girl
That's why she's satisfying
She will never ask for anything but you
Ain't that a girl

She's domestic, she is property
She's slim like reed
She's devertin', she is faithful
Ain't that all you need
And I'm souring like a feather
In a world I've just created
For a very simple reason

That is one
She's mine

She's all mine.
