Benny Bell - Everybody Wants My Fanny

Everyone is out to get my Fanny
Everybody wants to see my Fanny
Everybody likes to hold my Fanny
But she loves no one but my

Everybody wants to seize my Fanny
Everybody likes to squeeze my Fanny
They do everything to please my Fanny
Still she loves no one but me

Oh, don't touch my Fanny
Please don't ever try
My little Fanny
Is reserved for just one guy

That's why I never let another love light blind me
Everywhere I go you'll always find me
With my little Fanny right behind me
Cause she's so in love with me

Everyone who ever spied my Fanny
Tried to hang around beside my Fanny
Maybe I should go and hide my Fanny
Or she'll find somebody new

I've seen lots of fannies in my time
And frequently their cheeks were close to mine
But never have I held one so divine
Like the Fanny that belongs to me

We will be married
Some day next June
And when we go away
To spend our honeymoon

I know that everyone is goin'a miss my Fanny
No one ever could resist my Fanny
But they wouldn't dare to kiss my Fanny
Cause she's so in love with me
