Turn out the lights, see what I've been seein'
This is the love I have not been feelin'
A chill in the bone as it begins to change
Don't talk to me cos things are not the same
Yeah

You know I am I am
And I will be closer to you
Than you to anyone
You know I cannot see
The earth, the sun
For all the damage we have done

Oooh - so tired of playin' in the water
Oooh - don't wanna be your saint, your martyr
So sorry babe - so sorry baby it's my mistake
The years have blown away

Blown away

Hold down the dog I'm here to raise this ceiling
This is the love I cannot believe in, yeah
A quarter to four and it begins to tell
Don't talk to me cos nothing's gonna sell
Yeah

You know I am I am
And I will be closer to you
Than you to anyone
You're so full of conceit
You beg to be undone
You torment just for fun

Oooh - so tired of playin' in the water
Oooh - don't wanna be your saint, your daughter
So sorry babe - so sorry baby it's my mistake
The years have blown away
Blown away

You know I am I am
And I will be closer to you
Than you to anyone

You know I cannot see
The earth, the sun
For all the damage we have done

Oooh - so tired of playin' in the water
Oooh - don't wanna be your saint, your martyr
So sorry babe - so sorry baby it's my mistake
The years have blown away

Im so tired - so tired of playin' in the water
I can't be - don't wanna be your saint, your martyr
So sorry babe - so sorry baby it's my mistake
The years have blown away

So tired of playin' in the water
Don't wanna be your saint, your daughter
So sorry babe - so sorry baby it's my mistake
The years have blown away
