I, I don't believe you
Somethin' about you just don't add up
No I, I don't believe you
And I just can't see you stayin' true to me, ooh

I don't mean to say that you've been lyin'
But don't you think it's just a matter of time
You want me to be your only one
No but I, I don't believe you

Whatcha gonna do to win me over?
Whatcha gonna do to prove me wrong?
How can I deny all the talk about you girl
When I hear the things you do, yeah?
Listen to me I'm sayin'

I, I don't believe you
Somethin' about you just don't add up
No I, I don't believe you
And I just can't see you stayin' true to me

No 'cause I, I don't believe you
I don't believe you
Yeah
Yeah, yeah

All I need to see is your devotion
And all I need to feel is your emotion
Oh but how can I trust all your promises to me
When you ain't the man you seem to be
Listen to me I'm sayin'

I, I don't believe you
Somethin' about you just don't add up
'Cause I, I don't believe you
And I just can't see you stayin' true to me

'Cause I, I don't believe you
Somethin' about you just don't add up
No I, I don't believe you
And I just can't see you stayin' true to me

Hey, I don't believe you
Nothin' about you I can't give up
I, I don't believe you
And I just won't see you if you lie to me

'Cause I don't believe you
I've heard about you and I've had enough
I, I don't believe you
And I just won't see you if you lie to me
Oh yeah
