GOOD NIGHT, MY LOVE

Benny Goodman

(Mack Gordon & Harry Revel)

Good night, my love, the tired old moon is descending.  
Good night, my love, my moment with you is now  
ending.

It was so heavenly, holding you close to me.

It will be heavenly to hold you again in a dream.

The stars above have promised to meet us tomorrow.

Till then, my love, how dreary the new day will seem.

So for the present, dear, we'll have to part.

Sleep tight, my love, good night, my love,

Remember that you're mine, sweetheart.

Good night, my love, your mommy is kneeling beside  
you.

Good night, my love, to Dreamland the Sandman will  
guide you.

Come now, you sleepy head, close your eyes, go to  
bed.

My precious sleepy head, you mustn't play peek-a-boo.

Goodnight, my love, your little Dutch dolly is yawning.

Goodnight, my love, your teddy bear called it a day.

Your doggy's fast asleep, my but he's smart.

Sleep tight, my love, good night, my love,

God bless you, pleasant dreams, sweetheart.
