It had to be you
It had to be you
I wandered around
And finally found
Somebody who
Could make me be true
Could make me be blue.
Or even be glad
Just to be sad
Thinking of you.

Some others I've seen,
Might never mean.
Might never be cross,
Or try to be boss,
But they wouldn't do.
For nobody else gave me a thrill,
With all your faults I love you still.
It had to be you, wonderful you,
It had to be you.
