There's a call that rings from the Throne it springs
To all who are astray
Saying, "Come ye men and your load of sin
Down at the alter lay"

Many do not heed for the chain of greed
Still cautious ne'er desire
Be assured my friend if you still offend
He will set your fields on fire

He will set your fields on fire
If you cherished your desire
You have heard Jesus' call
[Incomprehensible] soul must fall

If the Lord, your soul inspire
If you join the Heavenly choir
And rejoice with Him as the sun grows dim
When He sets the world on fire
