The summer, the summer  
The summer, the summer

Hello to your mother, your brother, significant other  
I am the summertime and I'm here to free your mind  
Kick off your shoes, the blues and use anything but  
your mind  
'Cause this is the summertime and it's here to free your  
mind

How many other people can you save today?  
Don't you think, it's high time that you sail away?  
Leave today, don't fall behind

Try something new, turn into you, if only for a short  
time  
And feel your head recline  
Kick off your shoes, the blues and use anything but  
your mind  
'Cause this is the summertime

How many other people can you save today?  
Don't you think, it's high time that you sail away?  
Leave today, don't fall behind

Hello to your mother, your brother, significant other  
I am the summertime and I'm here to free your mind

How many other people can you save today?  
But don't you think, it's high time that you sail away?  
Leave today, don't fall behind

Hello to your mother, your brother, significant other  
I am the summertime and I'm here to free your mind  
I am the summertime and I'm here to free your mind,  
go

Hello to your mother, your brother, significant other  
I am the summertime  
Hello to your mother, your brother, significant other  
I am the summertime

(I am the summertime, I am the summertime)  
The summer, the summer  
The summer, the summer  
The summer, the summer  
(I am the summertime)  
The summer, the summer  
The summertime
