" You are the life, the meaning of love, when I'm in love
with you, you are the air,
I got a lot of these romantic stuff to tell you,
you are my world, you are present in all the moments,
Even crying is beautiful, when I'm with you,
although my whole life is messed up right now,
I'm still humbly in love with you,
You might say I should be free without you,
Just go anywhere you wanna go, ONLY along with me! "

begoo begoo begoo begoo faghat yeh bar

just show you care about saying it,
this beautiful phrase "I love you" ,
don't, don't make me be waiting for it forever. "
