I made up my mind  
What I'm gonna do  
I'm gonna go out  
And find somebody new

You ain't gonna do  
What you did before  
Cause I ain't gonna be  
Around anymore

I wanna be a  
Party, party girl  
Have lots of fun  
All around, around the world

I need a guy  
Who would never lie  
Tell me he's mine  
Til the end of time  
Party girl

She wants to be  
A party, party girl  
Have lots of fun  
All around, around the world

I have cried once before  
Now I'll cry, cry no more  
Party girl

And it's Saturday night  
And I'm having a ball  
Dancing with the guys  
At the old dance hall

Seems they all  
Wanna dance with me  
Now that they know  
That I am free

I wanna be a  
Party, party girl

Have lots of fun  
All around, around the world

Staying up late  
With a different date  
Til the right guy  
Comes my way  
Party guy

I made up my mind  
What I'm gonna do

I made up my mind  
What I'm gonna do  
I'm gonna go out  
And find somebody new

You ain't gonna do  
What you did before  
Cause I ain't gonna be  
Around anymore

I wanna be a  
Party, party girl  
Have lots of fun  
All around, around the world

Find me a guy  
Who would never lie...
