Well, you can give me all your love
And anything else you got too
But don't hate any mind
If it seems like I'm acting cool

Well, you can dress me in your mirror
Give me kisses forever and a day, yeah
But there's just one thing you don't have to say

'cos you don't have to say you love me
And you don't have to say any prayers
No, you don't have to say you love me
Baby, it's alright

'cos honey I don't care
Oh, baby I don't care
Oh, honey I don't care
Oh, honey I don't care

Well you can turn the lights down low
'cos somethings are better that way, yeah
And you can tell me all your stories
But please spare me the face

'cos you don't have to say you love me
And you don't have to save your tears
No, you don't have to say you love me
Baby, it's alright

'cos honey I don't care
Oh, baby I don't care
Oh, honey I don't care
Oh, honey I don't care

Well you can give me all your love
And anything else you got too
But don't hate any mind
If it seems like I'm acting cool

Well, you can dress me in your mirror
Give me kisses forever and a day, yeah
But there's just one thing you don't have to say

'cos you don't have to say you love me
And you don't have to say your prayers
No, you don't have to say you love me
Baby, it's alright

'cos honey I don't care
Oh, baby I don't care
Oh, honey I don't care
Oh, honey I don't care
