If love is blind  
I'll find my way with you

People say that you're no good for me  
People say it constantly  
I hear it said so much  
I repeat it in my sleep  
Maybe I ain't just a fool for you  
Maybe you're no angel too  
But all this talk is cheap  
When I'm alone with you

If love is blind  
I'll find my way with you  
'Cos I can see myself  
Not in love with you  
If love is blind  
I'll find my way with you

All the world is crazy anyway  
It doesn't matter what they say  
If I am the one that's wrong  
Then let it be my mistake

If love is blind  
I'll find my way with you  
'Cos I can see myself  
Not in love with you  
If love is blind  
I'll find my way with you

You wouldn't be with me tonight  
If I didn't feel I was right  
What will it matter anyhow  
A hundred years from now

Oh if love is blind  
I'll find my way with you  
'Cos I can see myself  
Not in love with you  
If love is blind  
I'll find my way with you

With you...
