"Do not stand at my grave and weep
I am not there I do not sleep
I am a thousand winds that flow
I am the sunlight on my own grave

I am a gentle autumn rain
I am the swift uplifting rush
Of quiet birds in circled flight

Do not stand at my grave and cry
Do not stand at my grave and cry
Do not stand at my grave and cry
I am not there I did not die

(Spoken)
???â€¦is half grown
Even his flower stem has not appeared yet
He's all leaves and roots without a sign of stem in sight
Blossoming, establishing a new pure relationship with
the cosmos
It is the sign of heaven.
It's the sign of the cobra.
It's the sign of a man who knows himself royally.
Crowned with the sun.
His feet gripping the earth as he goes.
We have arrived.

Do not stand at my grave and cry.
Do not stand at my grave and cry.
Do not stand at my grave and cry.
I am not there I did not die.
I am not there I did not die."
