I don't see the smile you used to give to me

I don't know what is happening to us  
I'm losing you forever so fast

It's time to let the pieces of a broken heart  
There's no mending, there's no brand new start  
For I don't know why we have to face the truth  
I'm losing you and there's nothing I can do

CHORUS:

(maybe) it's time to let go, a time to move on  
(maybe) it's time to forget what we have shared  
Isn't easy for you getting over all the days  
We used to say "I love You"

Tomorrow is the lonely day that I must face  
To start and get back  
Oh how can I true live without your love  
My life without you is not a life at all

[Repeat CHORUS]

Bridge:

There'll be many questions (many Questions)  
Lifted in my mind  
I can't find the answers by oh by  
But I know it is true, it is time to let go

[Repeat Chorus]
