You gotta change your way of livin', I done gotten hip to  
you

You gotta change your way of livin', I done gotten hip to  
you

You're just a little to old, I can't tell you what to do

Well I gave you all my money, let you go downtown  
tonight

Yeah I gave you all my money, let you go downtown  
tonight

Don't you know now woman, don't you know that just  
ain't right

Now I ain't gonna take no more, no, no, no, no more

No I ain't gone take no more, no, no, no, no more

If you don't straighten up now woman, I'm gonna have  
to let you go

You gotta change your way of livin', I done gotten hip to  
you

You gotta change your way of livin', I done gotten hip to  
you

You're just a little to old, I can't tell you what to do
