When you left you cut me deep
Nothing ever hurt me more
I found out revenge is sweet
Now I can't wait to even the score
I want to get you back
I want to get you back
I want to get you back
I want to get you back

I know you got a jealous bone
So I took a walk around the block
Hounds are howlin' at my back door
But the key won't fit my lock

I want to get you back
I want to get you back
I want to get to you
Like you got to me
Never had nobody do me like that
I want to get you back

Sometimes I want to hurt you bad
Sometimes I want to hurt you good
I can't seem to leave you alone
Even though I know I should

I want to get you back
I want to get you back
I want to get you back
I want to get you back
I want to get to you
Like you got to me
Never had nobody do me like that
I want to get you back
(Ain't had nobody do me like that)
(I want to get you back)
I want to get you back
(Ain't had nobody do me like that)
(I want to get you back)
You can't do me like that
Never had nobody do me like that
(I want to get you back)

I want to get you back
(Ain't had nobody do me like that)
(I want to get you back)
You can't do me like that
(Ain't had nobody do me like that)
(I want to get you back)
I want to get you back
(Ain't had nobody do me like that)
(I want to get you back)
I want to get you back
