I'm reaching out for your love
You are the only one I'm thinking of
Let me touch you babe with all my heart
Try to promise me, we'll never part

Whoa whoa whoa what can I say
I need your lovin' babe, everyday
Whoa whoa whoa, I have no pain, I'm just the same
man
Just trying to get your love, I wanna give it back

Every Monday is the beginning of my week
Every Tuesday, I have to hit the street

Whoa whoa whoa what can I say
I need to feel your body, a both night and day
Whoa whoa whoa I feel so good when I know babe
You love me so, I wanna hold you
I wanna hold you

You are my pride and joy
Would you reach out baby
I'm your little toy, yeah I am

Whoa whoa whoa what can I do
I need to hold on tight to you
Whoa whoa whoa what can I say
Let me love you, baby, night and day

Hey hey, hey, love, love is what I'm looking for
I'm reaching out, I'm reaching out for more
I'm reaching out, reaching out, reaching out
I wanna a little loving, loving, loving
Honey, I need your loving
I need your loving
