Why can't you do something right?  
Your name is all over the town  
Your reputation is sweeping the nation  
The rumors are bringing me down

You stand on the tip of my tongue  
I can't get you out of my head  
There's no syncopation with any relation  
Could it be that there's trouble ahead?

Four wheel drive, four wheel ride  
Side by side, four wheel drive

Why don't you try to slow down?  
I'm standing at the back of the line  
We made reservations to meet at the station  
My schedule is running behind

What can I do to survive?  
Why am I always abused?  
Anticipation of constant frustration  
Can it be that there's any good news?

Four wheel drive, four wheel ride  
Side by side, four wheel drive

Why can't you do something right?  
Your name is all over the town  
Your reputation is sweeping the nation  
The rumors are bringing me down

You stand on the tip of my tongue  
I can't get you out of my head  
There's no syncopation with any relation  
Could it be that there's trouble ahead?

Four wheel drive, four wheel ride  
Side by side, four wheel drive  
Four wheel drive, four wheel ride  
Side by side, four wheel drive

Four wheel drive, four wheel ride  
Side by side, four wheel drive  
Four wheel drive, four wheel ride  
Side by side, four wheel drive

Four wheel drive, four wheel ride  
Side by side, four wheel drive  
Four wheel drive, four wheel ride  
Side by side, four wheel drive

Four wheel drive, four wheel ride  
Side by side, four wheel drive
