Moonlight Rider  
Fred Turner

Have you got a new beat  
Make it on a fast sweep  
Movin' across the night in a coal black steed  
Now you're breakin' new ground  
Gossip wears a new crown  
You've been seen runnin' round on the other side of town

You're a moonlight rider,  
You only deal in schemes  
You're a moonlight rider,  
You ride into their dreams  
You ride into their dreams

Don't know when we'll see you  
You walk within' the shadows  
We wait all day but you never come around  
There's no way to find you  
You vanish into morning  
You sleep all day to ride when the day is through

You're a moonlight rider,  
You only deal in schemes  
You're a moonlight rider,  
You ride into their dreams

Maybe you won't find us  
We'll catch you in the moonlight  
Your shadow will give you up like the light of day  
Thought that you could fool us  
But know that we are watching  
Waiting to catch you up as you ride our way

You're a moonlight rider,  
You only deal in schemes  
You're a moonlight rider,  
You ride into their dreams  
You ride into their dreams

You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the dreams  
You step on the our dreams  
You step on the dreams
