Repo Man

Randy Bachman - Michael Saxell

He'll come to your city
He'll come to your town
If you owe somebody money
He'll be comin' around
You say it's complicated, there's a slight delay
He says you're obligated and you have to pay

He's the repo man
Ya baby, he's the repo man

He'll take your tv and remote control
Junior's new computer, man he'll take your soul
Your little girl's bracelet, your best guitar
Your house in the country and your wife's new car

He's the repo man
Ye, He's the repo man
He's taking everything he can
He's the repo man

Nothings sacred when the payment's due
He's gotta have some money and he's gotta have it
fast
And he's coming after you, what can you do

He'll take away your kitchen and all of your tools
He'll get a great big truck and tow your swimming pool
He'll come for your iphone or a barbie doll
He'll even come, for a pencil, man, nothing's tool small

He's the repo man
Ye, He's the repo man
He's taking everything he can
He's the repo man

Run, run, run just as fast as you can
But you'll never get away from the repo man
Run, run, run just as fast as you can

But you'll never get away from the repo man
Na-na
You'll never get away from the repo man
Na-na
You'll never get away from the repo man

He's the repo man
Ye, He's the repo man
He's taking everything he can
Baby he's the repo man
Watch out

Comin' get you
Take everything man
Watch out
