Traffic Jam  
Randy Bachman

Lightning stikes inside of my brain  
I wonder if it'll happen again  
This never was really part of the plan  
Traffic jam

Screaming nightmares that nobody hears  
Still running crazy after so many years  
Is life just something we hold in our hands  
Traffic jam

And as the dreams unravel  
So many roads to travel  
Life is a battle in the palm of your hand  
You take each hit you pay your dues  
Sometimes you win sometimes you lose  
Life's like a sandbox without sand  
It's a traffic jam, it's a traffic jam

Rag dolls and broken airplanes  
Empty toy box and pieces of games  
Parts of this puzzle I don't understand  
Traffic jam

The organ grinder is down on his luck  
So is the monkey with a little tin cup  
Who's running this circus and where do I stand  
Traffic jam

And as the dreams unravel  
So many roads to travel  
Life is a battle in the palm of your hand  
You take each hit you pay your dues  
Sometimes you win sometimes you lose  
Life's like a sandbox without sand  
It's a traffic jam, it's a traffic jam

Is there a place where everyone goes  
When they come to the end of their road

If there's no heaven, it's all been a scam  
Traffic jam

And as the dreams unravel  
So many roads to travel  
Life is a battle in the palm of your hand  
You take each hit you pay your dues  
Sometimes you win sometimes you lose  
Life's like a sandbox without sand  
It's a traffic jam, it's a traffic jam
