Gotta face reality
Cuz it's a cold world
But mommy right heres a tuff girl
Very tuff pearl
Bitches hate on me
Even those who close to me
It's a cold world

Damn it what you want from me
I mind my business and take care of my priorities
Been in this game from top to bottom like I'm suppose
to be
Still you hate on me
Haters closer than I thought they be
It's kinda crazy how the ones whos suppose to ride wit
you don't
They pretending to be there for you but they really wont
Got you guessing what intentions are mystery untold
If you feel me let them phonies go cuz it's getting old
