Aw yeah, it's the Fabulous Chi-Ali coming at ya with  
something new  
You know what I'm saying? We call this one "Funky  
Lemonade"

"Lemonade was a popular drink and it still is" -> Guru  
(Scratched 2x)

Get a taste of the lemon, lime a, rhymer, I'm the mack  
A frack a lack, ripping tracks like a tractor  
Rap reactor with more than a bionic  
Man, I'm blowing up as if I was atomic  
No gold on my caps when I rap or when I'm struttin  
Cause you know, and I know, ain't no future in fronting  
Or fakin when you're funkking, flunkie you're flunking  
Ring the alarm because you're bum like Jim Plunkett  
I get top buck, buck, chill, I'm greater  
I drop more flavor than the sun shines on the equator  
And I squeeze, the lemon on this water flowing verse  
So run and get your cup, cause I know you thirst

"Lemonade was a popular drink and it still is" -> Guru  
(Scratched 2x)

Real fat, Beatnuts in the house

I go splish, splash, I'm swimming  
A lemon to a lime and I rhyme for the women  
I blow like Hugo Boss, I'm frosty  
My name's Chi-Ali, not Kriss, don't Kross me  
Over, yes my head with airplay  
No, cause if it ain't rough it ain't right, ask Cato  
And the S to the H with A  
Peace be on to the brothers in the O  
Peachy is fat, run and tell your neighbor  
I even got a taste test so you can taste the flavor  
So get a zip, get a sip, get a guzzle  
Simple, no fuzzle, props or a muzzle  
And swallow Chi and follow, rocking the Apollo  
Freaks follow D Demo back to the limo  
So honey let me inject you with some liquid soul and

Oh um ooops sorry, real ho  
Now money check your bunny cause honey be  
undressing me  
With her eyes and I advise don't be stressing me  
Stress I get enough, ain't that the truth  
And some time to get ???  
You need proof, get Brandy  
I'm no Yankee but when I doodle hot dammit it's a  
dandy  
A real Bronx Bomber  
I run with the Legion and we blast with the Big Timer  
No comma, or period, or exclamation point  
My lemonade it's the joint, check it

"Lemonade was a popular drink and it still is" -> Guru  
(Scratched 4x)

Get a taste, get a taste, get a taste of the lemon  
(Repeat 4x)

Abracadabra, I flow like Niagra  
Falls, I take none, you diss me, you got balls  
But I got a ball for all of that, what are ya, dense?  
Holy cow, another sucker clears the fence  
Like Atilla, hon, it gets no iller  
You're jocking, I'm locking shit up like Barney Miller  
I got big bank, G, like hanky got panky  
Pull dollar from Alfalfa, then spank Spanky  
But don't thank me, that's the way I make a living, G  
Because the pop life is not for me  
So color me tic toc, I'm bad, I toc tic  
Color me pig, pass the mic and I'll rock  
Shiftest, I'm about to mert squirt mert  
Get over like a rat cause I'm fat like Levert  
So when you're just coolin or foolin in the shade  
Don't forget that FUNKY lemonade
