Hey you  
You say you wanna change the world  
It's alright  
With me, there's no regret

It's my turn  
The circle game has brought me here  
And I won't let down 'til every sun has set

You realize now  
You should've tried now, ooh  
The music's gone now  
You lost it somehow

Hey you  
Sha la la la  
Hey you  
Sha la la la

Woo  
Sha la la la  
Woo  
Sha la la la

Hey you  
You say the race is much too fast  
It's okay  
With me, I'm keepin' pace

It's my game  
The music is inside my head  
For everyone on top, there's one who can replace

You realize now, ooh  
You should've tried now  
The music's gone now  
You lost it somehow

Hey you  
Sha la la la  
Hey you  
Sha la la la

Woo  
Sha la la la  
Woo!  
Sha la la la

You realize now, ooh  
You should've tried now  
The music's gone now  
You lost it somehow

Hey you, hey you  
Sha la la la  
Hey you  
Sha la la la

Woo  
Sha la la la  
Woo  
Sha la la la

Sha la la la  
Sha la la la  
Sha la la la  
Sha la la la

Sha la la la  
Sha la la la  
Sha la la la  
Sha la la la
