Money, she always gets a chance
Music, sure knows how to dance
She's a high-flying woman so reach for the sky
She's gonna knock you down then pass on by

She's a high-stepping prancer
Tried true romancer
She's a little gandy dancer
And she's too much for me
Little gandy dancer

Broken, she left me with a broken heart
Spinnin', I don't know how to start
She's a low-flying woman she dragged me around
She'll get you high on love then knock you down

A high-stepping prancer
Tried true romancer
She's a little gandy dancer
And she's too much for me
Little gandy dancer

Dance, dance, dance little gandy dancer
Dance, dance, dance little gandy dancer, boogie
Dance, dance, dance little gandy dancer
Dance, dance, dance little gandy dancer

Dance, dance, dance little gandy dancer
Dance, dance, dance little gandy dancer
Dance, dance, dance little gandy dancer
Dance, dance, dance little gandy dancer

Dance, dance, dance
Dance, dance, dance
Dance, dance, dance
Dance, dance, dance

Dance on, beauty
