Every day is an endless train, you got to ride it to the
end of the line
Be a trouble shooter, blow the bad luck away and you
will make it to your station on time
And you'll find out every trick in the book and that's
there's only one way to get things done
You'll find out the only way to the top is looking out for
number 1
I mean you keep looking out for number 1

Every night is a different game, we gotta work for our
fortune and fame
Success is a ladder, take a step at a time and the
people will remember your name
Yes, I found out all the tricks of the trade and that's
there's only one way you're gonna get things done
I found out the only way to the top is looking out for
number 1
And that's me, I'm looking out for number 1

Every day is an endless train but I ride it to the end of
the line
I'm a real trouble shooter and I blow it away
No one's gonna get what's mine
I found out every trick in the book and that's there's
only one way to get things done
I found out the only way to the top is looking out for
number 1
I mean you keep looking out for number 1
And that's us, keep looking out for number 1
That's me, I'm looking out for number 1
