I tried, you've got to realize
The way I'm torn apart inside
They're calling me now

I've changed, there's something rearranged
Sounds so sweet, I can't explain
Calling me now

Rockin' all day and rollin' all night
Smile for the ladies, make it nice
May go crazy but I'll be alright

It's those rock and roll nights
Rock and roll nights
Rock and roll nights

Life's so long and gets so tough
For you play the game but it ain't enough
Really don't give a damn if you survive

Lot of love or lot of luck
Don't you shine on me, I've had enough
Only rock and roll can keep this boy alive

Rockin' all day and rollin' all night
Smile for the ladies, make it nice
May go crazy but I'll be alright

It's those rock and roll nights
Rock and roll nights
Rock and roll nights

Rockin' all day and rollin' all night
Smile for the ladies, make it nice
May go crazy but I'll be alright

It's those rock and roll nights
Rock and roll nights
Rock and roll nights

Rock and roll nights
Feelin' alright

Rock and roll nights
Oh, alright

Rock and roll nights
Feelin' alright
Rock and roll nights
Oh, alright
Rock and roll
