We rented a truck and a semi to go  
Travel down the long and winding road  
Look on the map I think we've been here before

Close the doors let's roll once more.

Cop on the corner  
look he's startin' to write  
I don't need no ticket so I screamed out of sight

Drove so fast that my eyes can't see

Look in the mirror is he still followin' me?

Let it roll

Down the highway

Let it roll

Down the highway

Roll  
roll.

Look at the sign  
we're in the wrong place  
Come on boys  
let's get ready to race

454 coming over the hill  
The man on patrol  
is going to give us a bill.  
The time's real short  
you know the distance is long  
I'd rather have a jet but it's not in the song  
Climb back in the cab  
cross your fingers for luck  
We gotta keep movin' if we're going to make a buck.

Let it roll

Let it roll

Let it roll

Let it roll  
roll

roll.

Roll!  
..(guitar solo)..  
Let it roll

Let it roll

Let it roll

Let it roll

Let it roll  
roll

roll.
