1. The sun comes up  
The sun goes down  
But everything stays the same  
It's the same old movie  
Or the same old song  
Only the players change  
It's either 9 to 5  
Or work all night  
Everybody's got to pay their dues  
One half are wrong  
One half are right  
Sometimes you win  
Sometimes you lose

Saying me oh my  
We all got to try  
To stay alive  
And we'll get by  
If we all try  
To stay alive

There's problems here  
There's problems there  
We got confusion everywhere  
We're all working for a meal  
Or to get a better deal  
You only want what's fair  
I'm stuck on stage  
You're stuck at home  
Everybody wants to trade places  
So I'll be you and you be me  
Nothing changes except the faces  
Chorus

Stay alive, stay alive, stay alive  
Stay alive, stay alive, stay alive

Repeat 1

Chorus

Stay alive, stay alive, stay alive

We got to stay alive, stay alive, stay alive  
Me oh my, we all got to try  
We got to try to stay alive  
We got to get by, we all got to try  
We all got to try, we got to stay alive  
We got to survive, saying me oh my  
We all got to try, to stay, stay alive  
We all got to try, to get by and stay alive  
Stay alive x9  
We got to survive, we all got to try  
To stay alive, alive, alive  
We got to got try to survive  
We all got to try to get by, to get by and get by  
We got to try and stay alive
