You get up every morning from your alarm clock's  
warning

Take the 8:15 into the city

There's a whistle up above and people pushin', people  
shovin'

And the girls, who try to look pretty

And if your train's on time, you can get to work by nine

And start your slaving job to get your pay

If you ever get annoyed, look at me, I'm self-employed

I love to work at nothing all day

And I'll be takin' care of business every day

Takin' care of business every way

I've been takin' care of business, it's all mine

Takin' care of business and working overtime, work out

If it were easy as fishin', you could be a musician

If you could make sounds loud or mellow

Get a second-hand guitar, chances are you'll go far

If you get in with the right bunch of fellows

People see you having fun, just a-lying in the sun

Tell them that you like it this way

It's the work that we avoid and we're all self-employed

We love to work at nothing all day

And we be takin' care of business every day

Takin' care of business every way

We've been takin' care of business, it's all mine

Takin' care of business and working overtime

Take good care of my business

When I'm away, every day

You get up every morning from the alarm clock's  
warning

Take the 8:15 into the city

There's a whistle up above and people pushin', people  
shovin'

And the girls, who try to look pretty

And if your train's on time, you can get to work by nine  
And start your slaving job to get your pay  
If you ever get annoyed, look at me, I'm self-employed  
I love to work at nothing all day

And I'll be takin' care of business every day  
Takin' care of business every way  
I've been takin' care of business, it's all mine  
Takin' care of business and working overtime to get

Takin' care of business  
Takin' care of business  
Takin' care of business  
Takin' care of business

Takin' care of business every day  
Takin' care of business every way  
Takin' care of business, it's all mine  
Takin' care of business, working overtime

Takin' care of business  
Takin' care of business  
We've been takin' care of business  
We've been takin' care of business

Takin' care of business  
Takin' care of business  
Takin' care of business
