You get up every morning  
From your alarm clock's warning  
Take the 8:15 into the city  
There's a whistle up above  
And people pushin', people shovin'  
And the girls who try to look pretty

And if your train's on time  
You can get to work by nine  
And start your slaving job to get your pay  
If you ever get annoyed  
Look at me I'm self-employed  
I love to work at nothing all day

And I'll be...  
Taking care of business, every day  
Taking care of business, every way  
I've been taking care of business, it's all mine  
Taking care of business. and working overtime  
Work out

If it were easy as fishin'  
You could be a musician  
If you could make sounds loud or mellow  
Get a second-hand guitar  
Chances are you'll go far  
If you get in with the right bunch of fellows  
People see you having fun  
Just a-lying in the sun  
Tell them that you like it this way  
It's the work that we avoid  
And we're all self-employed  
We love to work at nothing all day

And I'll be...  
Taking care of business, every day  
Taking care of business, every way  
I've been taking care of business, it's all mine  
Taking care of business and working overtime

One, two, three, four  
And we be...

Taking care of business every day  
Taking care of business every way  
I've been taking care of business, it's all mine  
Taking care of business and working overtime
