Under the weather

Rain drops
Thunder
Lightening
Wind gust

Baby I'm under the weather can u come rescue me
Relieve my stress and my pain take me thru extasy

Snow storm
Icy conditions
Hailing
I'm frozen

I've been feeling so down it's nearly got the best of me
I cud use some sexual healing I need that endlessly

Aooooooooo
Aooooooooo
Aooooooooo
Aooooooooo
I'm so alone so alone
I need ur kisses thru the phone
Come to my home so we can make luv
Aoooooooooooo
Aoooooooooooo

Hook
I need u here
I'm under the weather
Boy I want u near
I am so under the weather
Wash away my tears
I'm under the weather
Take away my fears
I am so under the weather
I need u here
I'm under the weather
Boy I want u near
I am so under the weather

Wash away my tears
I'm under the weather
Take away my fears
I am so under the weather

Day to day constant struggle don't know what to do
But what makes me smile is knowing that I can call on u
Day or night ur my shining knight n armor
Wethers it's good or bad karma
Wont nothin harm her

Humid
Feeling hot and bothered
There's no air
I'm meltin

Boy I'd rather b hot and sticky with u between the
sheets
I'm in need your medicine
I want u all to me

Hook
I need u here
I'm under the weather
Boy I want u near
I am so under the weather
Wash away my tears
I'm under the weather
Take away my fears
I am so under the weather
I need u here
I'm under the weather
Boy I want u near
I am so under the weather
Wash away my tears
I'm under the weather
Take away my fears
I am so under the weather
