I get up early in the morning
And rush to catch a plane
I'm going to live inside my suitcase
Back on the road again

Big stage and bright lights
Try to relax before the show
So glad to be here tonight
But I just can't wait to go, I got to go

Welcome home
Welcome home
Welcome home
It feels good

I'm going to save up all my money
Just to see if I could
Try to brighten my appearance
With clothes from Hollywood

We're climbing up the music ladder
The girls won't leave us alone
But it really doesn't matter
If we're nothing back home, back home

Welcome home
Welcome home
Welcome home
It feels good

Welcome home
Welcome home
Welcome home man
It feels good

So glad we left the Prairie City
And now we're living on the coast
We went and got ourselves a manager
We all think he's the most

Silver vet with gold wheels
We see him cruise around the town

No, he's never really up
No, he's never really down, down, he's just Mojo

Welcome home
Said, welcome home, baby
Ah, welcome home
It feels good

Welcome home
So good to [Incomprehensible]
I said welcome home
[Incomprehensible]

Welcome home
So good to see all you again
Welcome home baby
It feels good
