I met a devil woman
She took my heart away
She said, "I had it coming to me
But I wanted it that way"

I think that any love is good lovin'
So I took what I could get
She looked at me with big brown eyes
And said

"You ain't seen nothing yet
B-b-baby, you just ain't seen n-n-nothing yet
Here's something that you are never gonna forget
B-b-baby, you just ain't seen n-n-nothing yet"
"Nothing yet, you ain't been around"
That what she told me

And now I'm feeling better
'Cause I found out for sure
She took me to a doctor
And he told me of a cure

He said that any love is good love
So I took what I could get
Yes, I took what I could get
And then she looked at me with those big brown eyes
And said

"You ain't seen nothing yet
B-b-baby, you just ain't seen n-n-nothing yet
Here's something, here's something you will never
forget, baby
You know, you know, you know, you just ain't seen
nothing yet
You need education, you gotta go school"

Any love is good lovin'
So I took what I could get
Yes, I took what I could get
And then, and then, and then
She looked at me with those big brown eyes
And said

"You ain't seen nothing yet
Baby, you just ain't seen n-n-nothing yet
Here's something, here's something
Here's something you will never forget
Baby baby baby baby baby, you ain't seen n-n-nothing
yet"
"You ain't been around, you ain't seen nothing yet"
That what she told me

She said I needed education, go to school
I know I ain't seen nothing yet
I know I ain't seen nothing yet
[Incomprehensible] better be good
[Incomprehensible] everywhere
But I ain't seen nothing yet
[Incomprehensible] ain't seen nothing yet
I ain't seen nothing yet
Ain't seen nothing yet
Wait, wait, [Incomprehensible]
