Boy, you are on my skin
You have melted in
You are on my skin

Boy, you are on my mind
I am wastin' time
You are on my mind

If you see me passin'
Please don't look me in the eye
I don't deserve this situation
'Cause I'm barely getting by
I need to know
Will you take me back where I belong

Well I don't know how many hours
I've been staring at the phone
I don't deserve this kind of treatment
'Cause I'm barely holdin' on
I need to know
Will you take me back where I belong

Soon this has gone too far
I'm your lucky star
This has gone too far

Soon you'll be on your knees
You'll be begging, please
You'll be on your knees

If you see me passin'
Please don't look me in the eye
I don't deserve this situation
'Cause I'm barely getting by
I need to know
Will you take me back where I belong

Well I don't know how many hours
I've been staring at the phone
I don't deserve this kind of treatment
'Cause I'm barely holdin' on

I need to know
Will you take me back where I belong

So, baby
If you see me passin'
Please don't look me in the eye
I don't deserve this situation
'Cause I'm barely getting by
I need to know
Will you take me back where I belong

Well I don't know how many hours
I've been staring at the phone
I don't deserve this kind of treatment
'Cause I'm barely holdin' on
I need to know
Will you take me back where I belong
